

What to expect when you take part in the CLEAR trial

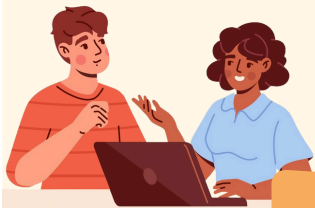

Consent

Talk to your doctor and the research team about taking part in CLEAR.

Ask any questions.

Talk to family/friends and decide whether you would like to take part.

Before the trial

Baseline

Meet a CLEAR researcher and answer some questions.

£10 shopping voucher provided

Let us know if you would also be happy to have a brain scan (MRI)

£50 shopping voucher provided

Start your new medication.

Start of trial

Visits

Continue to take your medication.

A researcher will meet with you a few times to discuss your symptoms and how you are feeling.

£10 shopping voucher x 3 provided

Our researchers will continue to answer any questions you have.

During the trial

Finish

After 12 weeks your doctor will talk to you about continuing or changing treatment.

A second brain scan (MRI) can be completed.

£50 shopping voucher provided

We would like to keep in touch and talk to you again in 3 months and 6 months.

End of trial
